## OBJECTIVE

---

.

## EDUCATION

---

Bachelor of Technology in Information Technology Sri Sivasubramaniya Nadar College of engineering, Chennai. CGPA : 8.4	2021 - Present
DOTe, Diploma in Computer Science Engineering konghu velalar polytechnic College, Perundurai, Erode, 90.4%	2021
SSLC, Class X Vidhyaa vikas matriculation.higher.sec School,Tiruppur,87.4%	2018

## SOFTWARE TOOLS

---

Platforms      C++, Python, MySql, MongoDB, HTML, Css, javascript, Angular, Coreldraw

## COURSES

---

Programming in Java Learning Applets in Java,NPTEL,IIT Kharagpur.	2022-Present
Machine Learning Fundamentals SSN college of Engineering at Chennai.	2023
Introduction to Front-end development Coursera,Meta	2022

## PROJECTS

---

- Text to Speech Conversion(using c#) 2020.
- Food ordering System,(using Tkinter with SQL)2021.
- Online Cab Booking system,(using C++) 2022.
- Payroll website ,(using html,css,php) 2022.
- Date Modeling using Dataset,(using jupiter python) 2023.

## ACHIEVEMENTS

---

- Participated in the State level technical symposium:Paper presentation(Big data) 2020
- Completed the training course on Screen printing 2019
- Completed Diploma in Computer application with A++ Grade 2020

## COURSE WORK

---

**Data structures.**

**Design and Analysis of Algorithm.**

**Database and Management System.**

**Principles of Software Engineering.**

**web Programming.**

**Machine Learning Fundamentals.**

**Big Data Engineering.**
